Although all our coats come in generic sizes to suit all breeds, you have the option to enter your dog's unique measurements so for no extra charge we can ensure you coat fits just right. When checking out please select the back size required from the list of available sizes and enter any extra measurements as shown below in the box provided if you wish to have a longer belt for example.

The illustration below shows how to measure your hound.

- 1- Select the Length of back from bottom of neck (in between shoulder blades) to dock of tail and select from drop down list provided.
- 2- Chest Circumference (the deepest part).
- 3- Neck Circumference (roughly were the dogs collar would sit).
- 4- Waist of the hound.

HARNESSES

Please use our harness size guide when sizing harnesses for your dog, however, we do advise that you measure your dog.
